End of tenancy	+£40

First visit recommendation

New clients are normally advised to begin with a Deep Clean so a consistent maintenance baseline can be established. This is a recommendation, not an automatic requirement: clear photos or a short survey may confirm that a well-maintained home can begin with a regular clean.

Regular visit times are planned in advance and begin at two hours (£50). All appointments are Monday to Friday between 09:30 and 14:30. Larger jobs use an agreed second cleaner or are divided across confirmed weekdays.

Optional extras

Extras are added to the fixed job total only when selected and agreed before the clean.

Extra	Price	Extra	Price
Inside single oven	£45	Blinds / shutters	£8 each
Inside double oven	£65	Bed-linen change	£6 per bed
Inside fridge	£25	Heavy limescale treatment	from £25
Inside freezer	£25	Heavy pet-hair treatment	from £25
Inside kitchen cupboards	from £35	Inside dishwasher / washing machine	£20 each
Inside reachable windows	from £35		

Commercial fixed quotes

Commercial work is priced per agreed visit or project after the premises type, floor area, footfall, frequency and selected zones have been reviewed. It is not billed by the hour.

Commercial job	Starting price
Small office / retail visit - up to 100 m²	from £95
Small communal-building visit	from £120
School / nursery selected-zone clean	from £150
Commercial deep clean	from £225
End-of-project / handover clean	from £250

What can change a starting price?

Heavy build-up, extra bathrooms, pet-hair treatment, specialist limescale, furnished end-of-tenancy properties, paid parking, difficult access, travel outside the normal service area and extra tasks. These are discussed before approval - never silently added afterwards.

YOUR FIXED-PRICE PROMISE	**Once the written scope and total are accepted, that is the price for the agreed job. If the client changes the scope, or an undisclosed condition makes the work materially different or unsafe, Lémonhaus pauses and agrees a revised total before continuing.**

Good to know

A 20% booking deposit is required by direct bank transfer to secure an approved appointment and is deducted from the final balance. The remaining private-client balance is payable before cleaning begins. Cash is warmly welcomed when the client is present; unattended appointments must be paid by instant bank transfer before the scheduled arrival time. Unattended cash should not be left at the property. Following client cancellation, the deposit is normally non-refundable only to the extent that it fairly covers Lémonhaus's direct loss; any excess is refunded and statutory cancellation rights remain unaffected. No ironing. VAT is not added unless Lémonhaus becomes VAT-registered. Prices reviewed 16 September 2026 and may be updated for future unconfirmed bookings.
